**Course:** The 2017 course is the same as the 2013. The 0.71 mile circuit starts on Bellevue Ave, next to the Burlingame Library. It then runs counterclockwise making an immediate left onto Primrose Rd, then a hard right onto Chapin Ave. You get a long straight down Chapin, but then brake hard for a tight, left-handed hairpin and reverse back up the other side of Chapin. A small right/left chicane cuts across Primrose and then onto of Donnelly Ave which ends in a hard left onto Lorton and transitions in a sweeping left hand turn back to Bellevue Ave. This is a VERY fast section as everyone accelerates for great primes and the final sprint finish.

**Prizes:** Women 1/2 and Men Pro/1/2 will be cash. Master Men 35+ 1/2/3 will be 50% cash and 50% merchandise. Remaining categories will be 100% merchandise. Kids' Ride participants will receive ribbons and ice cream.

**Rules:** Must have proof of current USAC license. One-day licenses will be available at registration. Standard USAC release form required. Held under USA Cycling Race Permit **2017-1420**. All USA Cycling rules apply. Wear a helmet when on a bike at the race.
